FCA Defendant's Internal Email

“This is a potential false claims act (fca) violation, in which even if the invoice is not paid, we would still be subject to additional penalties up to 4x the miss billing.

What is the process before these invoices go out? Is there management review?”

Favorite FCA Defendant's Email

“Ran in a little headache yesterday. Actually will get us a few more dollars though

However, now just found out that someone needs to go to jail. Potential overbilling/double billing of the customer.

Get a good lawyer and get ready to post bond.”
